Sing We Hail to Saint Joe High School

Praised by Sons and Daughters All

Academics

The sons and daughters of Saint Joseph High School praise the Academics by the interest they show in their education. Their study and application illustrate quest and concern for knowledge.

Continuing interest in establishing a progressive and stimulating course of study at SJHS is reflected in the introduction of a new Biology course, BSCS, one of the science courses developed at the University of California. Fresh approaches to old courses show the excellence of the faculty.

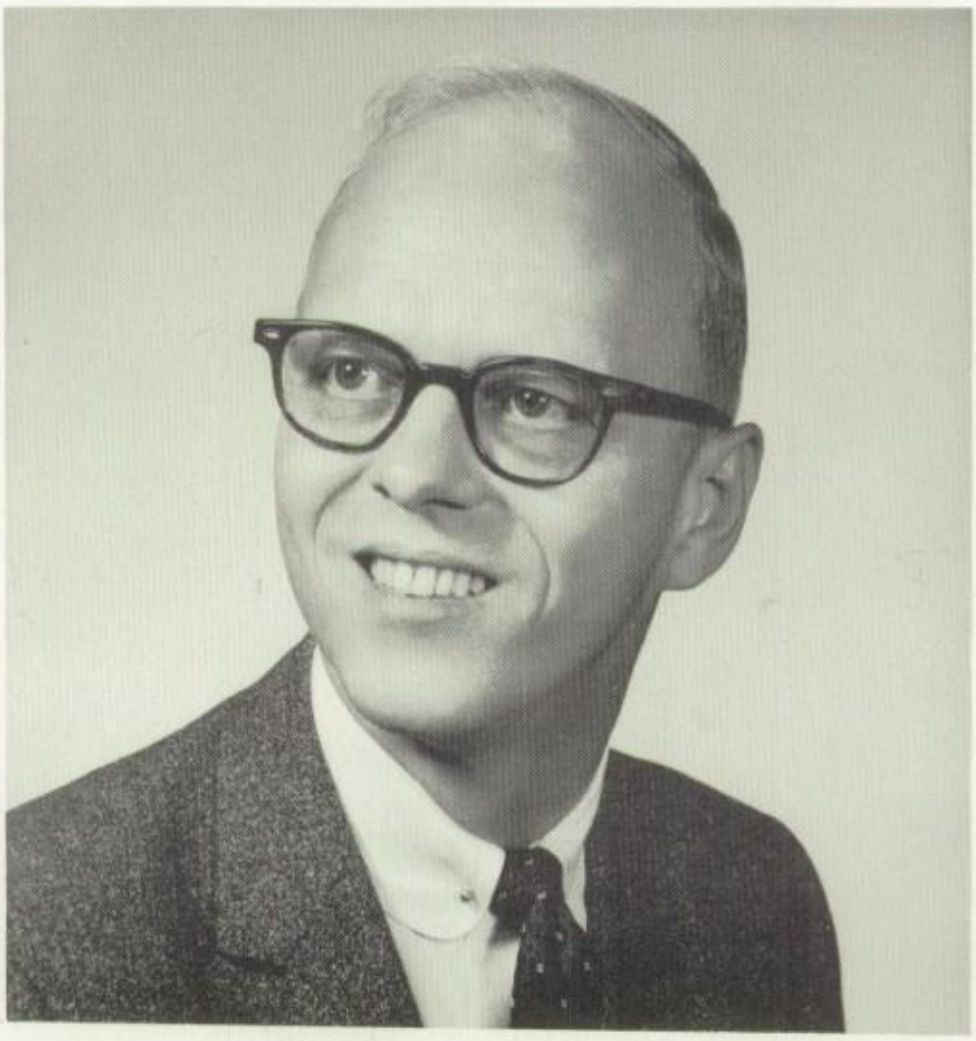
Administration, faculty, and student body unite in making SJHS an institution of learning all can praise and hail as the Alma Mater suggests.

Mr. Larsen executes his administrative duties with efficiency and forethought.

Mr. Jack L. Larsen
A.B., Iowa State Teachers College
M.A., University of Minnesota

Each senior walks into Dickenson Stadium in June as a comfortable group member deriving some security from that membership. After a few moments, however, each walks out of the stadium into a world he never made. If learning has taken root, though, he is not afraid because he agrees with Emerson that "fear always springs from ignorance . . . and is a thing which the scholar by his very function puts behind him . . . the world is his who can see through its pretension." I hope your school has helped you to be so armored.

Strong Leadership Effects a First-Rate School



"America needs many young people who through curiosity, perseverance and a deep sense of purpose have learned skills that can contribute to make a better world.

St. Joseph Public Schools through their faculty and physical facilities have encouraged these qualities among their many students. May the members of the Class of 1964 utilize what they have gained here, to worthy advantage in the years ahead."

Earl H. Place

Mr. Van Erden, the man with the checkbook and pen, supervises all the non-teaching activities of the school system. He has charge of such diverse activities as the payroll, hot lunch program, and the new school buildings. Today, the scope of knowledge is too vast to be covered completely by classroom instruction. Therefore, the school library provides the "extras" available to students who wish to gain a better understanding of a given subject or interest. The library offers him individual help in finding the materials he desires from its thousands of books and periodicals. It also borrows books from the state library to supplement its own collection and circulates all but its reference sources. Since the library is open both before and after school, it is always ready for the student's use.

Students turn to the library for help on special assignments.

National Honor Society Rewards Achievement

Belonging to the National Honor Society is one of the notable scholastic honors a student can receive. Members are chosen from the upper third of the senior class. Each spring five per cent of the junior class is inducted also. Students are nominated and elected by the faculty on the basis of character, scholarship, leadership, and service. The Honor Society's purpose is not only to encourage and promote scholarship but also to give recognition to outstanding students.

New members sign secretary's book.

Thespians Perform With Precision

Thespian Troupe 584 is a group of high school seniors organized on a national level and devoted to the advancement of dramatic arts. To be eligible for membership, one must have earned a total of ten points by participating in dramatics on or off stage. The members rise in rank with additional points, the highest being Honor Thespian. Under the proficient direction of Miss Theisen, the Thespians entertain the school with One Act Play Night, skits for the Variety Show, and other activities, always supporting their motto "Act well your part; there all the honor lies."

A small group of hardworking boys, known as the Stage Crew has been at work lighting the productions of the Twin City Players, Camera Club, and Cinema Arts, as well as school productions. An early highlight came when they provided the lighting for Celeste Holme. She was most enthusiastic with her comments on our auditorium and the excellent cooperation from the stage crew. The boys under the direction of Mr. Bowen are paid for all non-school functions.

Interesting lighting creates unusual effects.

SLAAM members are eager to collect overdue fines

SLAAM Sponsors Student Art Fair

The members of SLAAM (Student Library Assistants Association of Michigan) are proud to inform us that this year our library has grown considerably. A strong six thousand volumes, it helps to ease the load of homework and render enjoyment. New book cases have been added as well as eight new magazines.

The club itself has grown. This year twenty-two members donate their time and much appreciated assistance to Mrs. Thayer, our much respected librarian.

Activities of the club include selling paperback books in the library and sponsoring the annual all student art fair. This year the first prize went to Phil Reddel.

Sound Mind and Sound Body Make the Man

Eating away their profits!

Under the leadership of Mr. Haack and Mr. Higgs the Letter 'S' Club strives to promote good sportsmanship, raise the standards of sports activities at St. Joe, and create friendships among the athletes. To belong to the Varsity Club a boy must have received a major letter in some sport and have good class standing. Members hold the idea that sportsmanship and scolarship should go hand-in-hand and favor the concept of good training habits.

. The club sponsors money-making projects and manages the concession stand for basketball games. They also sponsor the annual "Little 500" in the spring.

Hi-Y Builds a Foundation for Tomorrow

The St. Joseph Hi-Y Club, working together with 15,000 similar clubs throughout the United States, joins in building the foundations for a better tomorrow.

Meeting twice a month, Hi-Y sessions provide a base for planning worth-while moneymaking projects. The funds raised by these projects are then donated to such worthy organizations as the United Fund, The Goodfellows Fund, and the World Service Organization.

The *Wind-Up*, the student publication of school news which comes out six times a semester, comes from a hard-working journalism class. It is edited and published by the students themselves with the able guidance of Mr. Rich. The class studies the principles and practices of journalism and puts them to good use on the paper. This worthwhile experience gives the students a sense of responsibility in meeting deadlines and planning layouts and provides a fresh new outlook on writing. Also with this job comes the realization and appreciation of the countless hours of time and work involved in publishing a newspaper.

This year's editors-in-chief were Jim Ellis and Mike Johns (first semester) and Alan David (second semester).

Hours of Toil Yield Hours of Enjoyment

The Mazenblue, our school annual is edited by a staff of hard-working volunteers from our student body. They are divided into sections, each section having its own editor. From that moment on the publication room hums with activity. The various committees commence to assemble the multitude of student, club and activity pictures which have been taken during the year. Page layouts are planned, copy is written, deadlines are met, and finally upon completion of proof reading, the annual is sent to the presses.

Orchestra Offers SJHS a fine Repertoire

These students, the ensemble, work fourth hour with Mr. Erbach.

The orchestra is made up of both string and wind players under the direction of Mr. Fred Erbach. The string players meet four days a week during school hours, and the wind players, usually the better players from the high school band, meet with the strings on Wednesday nights.

During the spring the orchestra also attends the Solo and Ensemble, and District Band and Orchestra Festivals. Other appearances that the orchestra makes are at the Christmas Assembly, PTA meetings, Baccalaureate Services, and the Spring Music Festival.

Fourteenth Annual 7:60 Show

Under the expressive direction of their new conductor, Mr. Robert Brown, the SJHS band once again presented a varied and successful 7:60 Show. The stage crew, assisted by Mr. Bowen, used the lighting facilities of the auditorium to accent and emphasize the unusual moods of the numbers. Announcements of the coming numbers, as well as brief introductions, were given by Robert Hoffman. At the close of the show, President Tom Lininger surprised Mr. Brown with an appreciative gift from the band.

Featured in one number of the show was a cornet trio.

"And it was this *big!"*

Bandsmen Experience Year of Change

The SJHS Band members began the year practicing for the marching season under the new direction of Mr. Robert Brown. The marching band performed at all home football games and the Blossom Parade.

At the close of the marching season the symphony band formed. Among the many fine performances of the symphony band, the 7:60 Show, Spring Concert, and Commencement were outstanding.

A highlight for the bandsmen, this year was the arrival of their new uniforms, for which they had raised money last spring.

The band closed a successful season having received first division ratings in marching and concert band.

Choraliers Say It With a Song

With "Practice makes perfect" as their motto, the Choraliers spend many informal hours rehearsing the modern Broadway musicals which constitute most of their performances. They are liberally rewarded for their efforts by the appreciation of their audiences and the humor of their "leader."

The Choraliers' activities for the year include participation in the annual Variety Show and performances for various civic organizations in the Twin Cities.

Mr. Bowen sings as well as directs.

Though 'Twill Soon be Just a Memory

All the Dear Days Just Gone by

Activities

The "dear days," two performance days for "The Curious Savage," standing room only days for Showtime '64, are over. Students, though, will carry them always as memories.

Special dances and traditional festivities are an integral part of SJHS. However, cooperation and participation from the student body keynote these activities. The unrivaled enthusiasm of Homecoming was a student product.

Days just gone by, yet the students of SJHS have their memories of Winter Wonderland, and in the spring "The Mouse That Roared," and "Carousel."

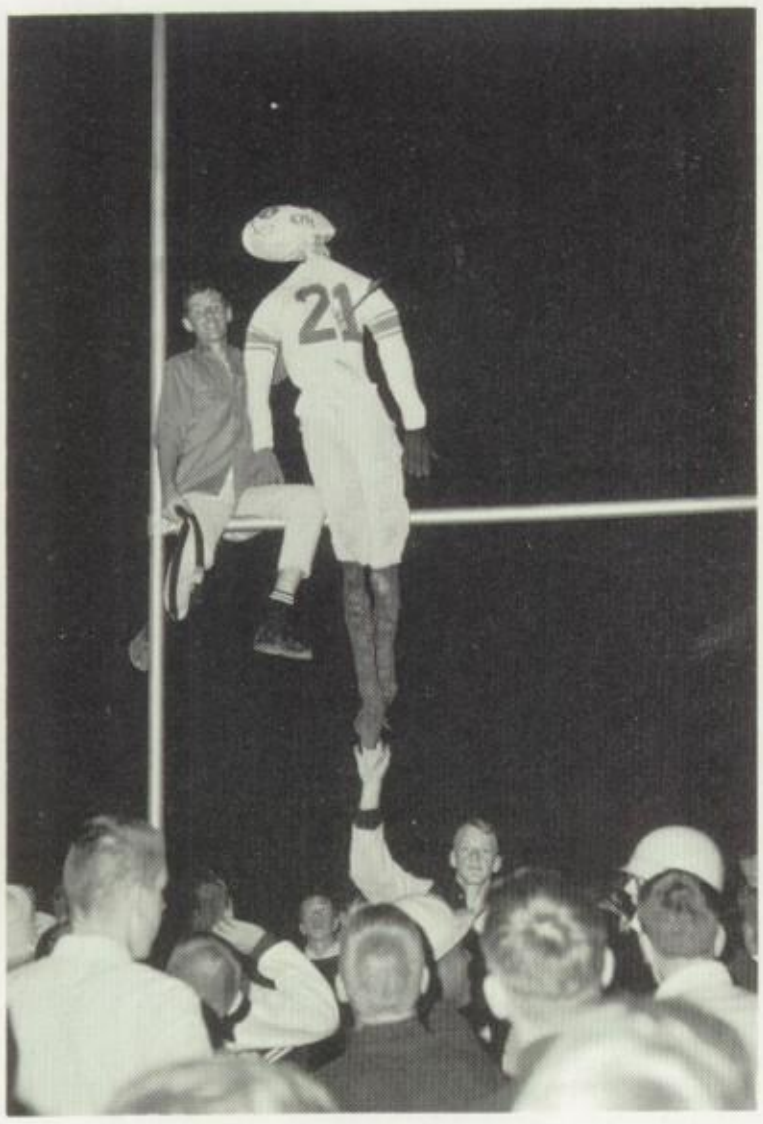
Homecoming '63-

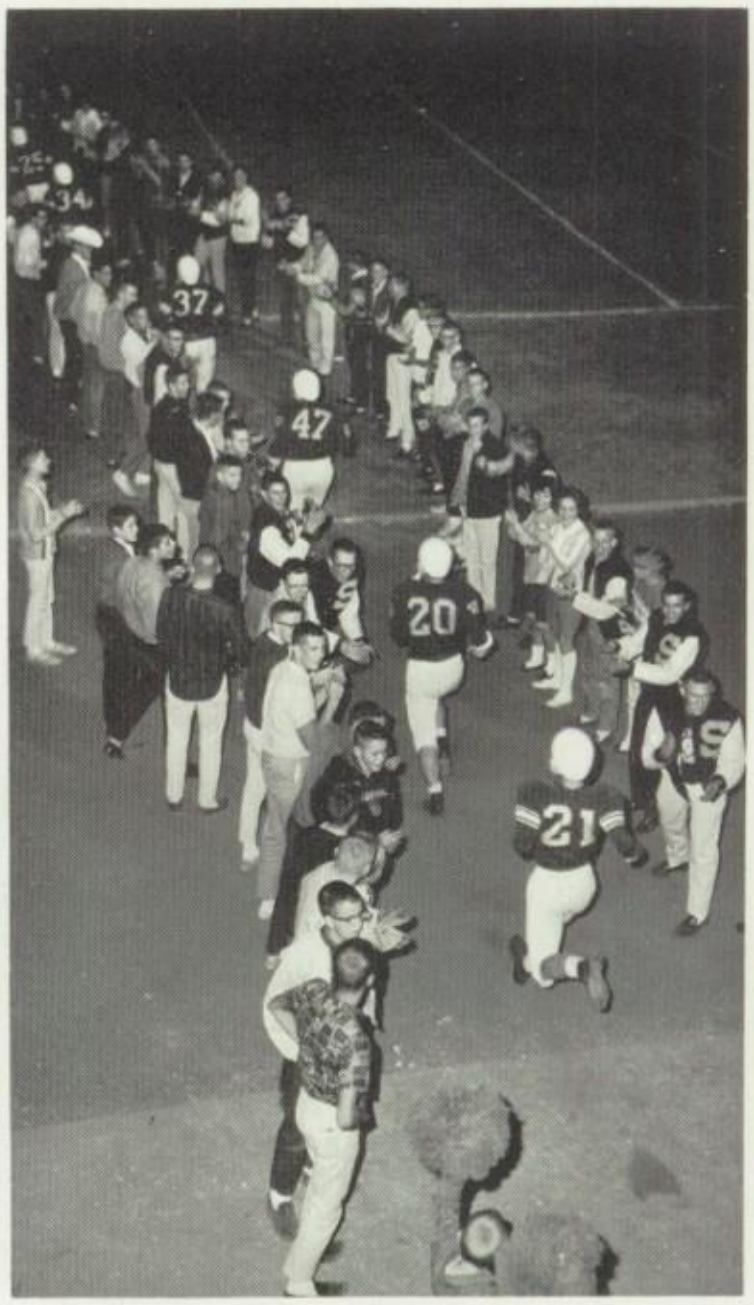
Team Action & School Spirit Reached a Peak



Thursday night started off homecoming weekend with the hanging of a Holland player. A snake dance and pep rally at the bandshell downtown followed.

Homecoming was a high point in school spirit and team action this year. The activities started on Thursday night with a hanging and a rip-roaring rally downtown. Spirit was set in high gear by a victorious J.V. game. Homecoming rivalry increased steadily as the Friday night game drew near. Students went wild with elation when our St. Joe team pulled through with a glorious victory over Holland.

"Fuzzy's pie wagon" was halftime entertainment.



With spirit mounting, students cheered the J.V. team onto the field Thursday night.

Queen Candidates: Bette Lou Bell, Mary Benson, Toni Pfauth, Connie Ellis and Dona Weiland.

The dance Saturday night reflected the victory and spirit of the night before. The color scheme of maize and blue carried out our school colors. Queen Toni was crowned by the Student Council President as a climax to a gala weekend. Mary Benson, one of the queen candidates, was not able to participate in the weekend events due to illness; but she still had the honor of being in the homecoming court.

President of Student Council, Rich Evans, crowns Queen Toni at the Homecoming Dance on Saturday.

Queen Toni and her date Rick Greene led a dance.

The atmosphere was one of Christmas joy as we danced in our own separate dream worlds.

Strolling through an arch of silvery bells, Bud Smith and his date Gloria Clark enter a "Winter Wonderland."

Soft snowflakes fell creating a Winter Wonderland on the night of December 21, a couple after couple arrived for the annual Student Council dance. The atmosphere inside was warm and cheerful with the holiday festivity. The decorations carried out a silver and red theme with a touch of green mistletoe scattered here and there. A little more liveliness was added to the occasion this year by the Cardigans.

Snowflakes and Mistletoe — Winter Wonderland '63

The dance committee members and their dates: Peggy Condon, John Klein, Larry Evanoff, Nancy Colby, Dona Weiland, Scott Emlong, Deane Bronfenbrenner, Paul Davis, Nancy Watt, and Gary Dasse. Greg Paul and Tom Kovtan also members of the committee are not pictured.

St. Joseph and Benton Harbor Y-Teens and their escorts led the Grand March.

Cupid Triumphs at Heartbeat

Cheryl Ludwig was crowned queen of St. Joseph Y-Teens by her date, Jim Dase.

The atmosphere glowed with Valentine warmth as the Y-Teens of St. Joseph and Benton Harbor danced to the music of the Cardigans. In keeping with the spirit of St. Valentine, the room was decorated in a red and white motif. Following the Grand March, Cheryl Ludwig was crowned Heartbeat Queen for St. Joseph.

With cupid's heart and arrow for a background, Sue, Georgia, and Joan and their dates enjoy the atmosphere.

We All Remember Fondly

Alma Mater, St. Joe High

Album

Students, remembering their Alma Mater, will remember their friends and fellow class members who took pride in SJHS, had sincere ambitions, and believed in the excellence of their class.

Each class was unique — sophomores had their first taste of high school life, juniors a record-breaking magazine sale, and seniors their special production of Oedipus Rex. Yet, these classes are united. They are the spirit of the school and will not forget the Alma Mater, whose excellence made three years memorable.

MODERN Yearbook Company

The last pages are finally done and ready to be sent to the printer. The endless hours put into the production of the Mazenblue are behind us now. It could not have been completed without the combined efforts of many people. We wish to thank Redman Studios, Mr. Fred Erbach, Modern Yearbook Company, and the 1964 Mazenblue staff. However, our greatest thanks go to you the students of St. Joe High who make this book possible.
